

EyeNet

 AMERICAN ACADEMY
OF OPHTHALMOLOGY
The Eye M.D. Association

As an Academy publication exemplifying the Academy's mission of being the premier source of credible information for ophthalmologists, *EyeNet* delivers practical clinical information that can be applied immediately in patient care. It also covers business and government news, practice management tips and other topics of interest to ophthalmologists.

With the credible clinical content of a medical journal and the editorial style of a news magazine, *EyeNet* provides practical information in a concise, easily readable format!

EYENET DEPARTMENTS
